Dear Secretary Bose:

PPL Montana herein provides five hardcopy and five electronic (CD) copies of Mystic Lake Project Exhibit A and G corrections as requested by FERC staff. These Exhibit corrections result from a formal survey of the Absaroka-Beartooth Wilderness Area boundary adjacent to the Mystic Project completed in June of this year and includes changes to reference points and both transmission and non-transmission acreage.

The enclosed Exhibit G corrections are being filed with the Commission as NIP.

Sincerely,

A handwritten signature in black ink, appearing to read "Jon Jourdonnais".
